

## **Lynda Kuit Artist Bio**

Lynda Kuit was born in South Africa, lived briefly in The Netherlands as a child. She emigrated to Canada in 1996 with her husband and two sons, a few suitcases and four apple boxes containing her memories. Working in the post-secondary education sector, Lynda met many international students and became interested in their own culture shock experiences. Her work is informed by issues surrounding immigration, identity, memory and language. She uses archival images, photomontages and landscape images to explore forgotten histories in the area where she now resides. She is currently completing her BA (Hons) Photography degree with the Open College of the Arts in the UK.
